BILL 17

**4TH SESSION, 26TH LEGISLATURE, ONTARIO
11-12 ELIZABETH II, 1962-63**

An Act to approve an Agreement between the Government of Canada and the Government of the Province of Ontario respecting Public Harbours

MR. ROBERTS

EXPLANATORY NOTE

Section 108 of *The British North America Act*, and the Third Schedule of that Act, vested in the Crown in right of Canada ownership of the bed and foreshore of all public harbours in Canada that were actually used as such at the time of Confederation. However, because the Act did not list and describe those harbours, confusion has arisen as to which harbours became the property of Canada and what were the precise limits of those harbours.

An Agreement has now been negotiated with the Government of Canada to resolve this confusion by defining which harbours in Ontario shall be considered to be the property of Canada and what the limits of these harbours shall be.

The purpose of this Bill is to ratify and approve the Agreement.

This Bill is complementary to and is the same in substance as Bill C-59 introduced in the House of Commons on October 11, 1962.

2. A reference by number in Schedule A to the Agreement to a plan attached to that Schedule shall be construed as a reference to the plan of the same number on record in the Department of Transport, Ottawa, and in the Ontario Department of Lands and Forests, Toronto.

3. This Act comes into force on the day it receives Royal Assent.

4. This Act may be cited as *The Ontario Harbours Agreement Act, 1962-63*.

BILL 26

**4TH SESSION, 26TH LEGISLATURE, ONTARIO
11-12 ELIZABETH II, 1962-63**

An Act to amend The Income Tax Act, 1961-62

MR. ALLAN (Haldimand-Norfolk)

EXPLANATORY NOTES

SECTION 1. This amendment corrects a reference.

SECTION 2—Subsection 1. This amendment corrects a reference.

Subsection 2. The new subsection 5 will allow a tax table to be prescribed so that certain taxpayers, in completing returns, will not be required to make the percentage computation now required. The taxpayer will merely refer to a table where the proposed tax applicable to him will be set out.

The new subsection 6 will allow a taxpayer to deduct from his tax an amount on account of tax paid in another country. The purpose of the provision is to allow deduction of an amount equal to the difference between the foreign tax credit the taxpayer was allowed prior to the new federal-provincial tax arrangements and the foreign tax credit he is able to claim under the *Income Tax Act* (Canada) at the present time. The deductible amount includes, where applicable, not only tax paid in another country in respect of salary and wages but also tax paid in respect of investment in business income.

An Act to amend The Income Tax Act, 1961-62

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Subparagraph ii of paragraph 25 of subsection 1 of *The Income Tax Act, 1961-62*, as re-enacted by ^{c. 60, s. 1, subs. 1, par. 25} subsection 3 of section 1 of *The Income Tax Amendment Act, 1961-62*, ^{c. 61, s. 1, subs. 3,} is amended by striking out "clause a" in the second line and inserting in lieu thereof "subparagraph i". ^{subpar. ii, amended}

- 2.—(1) Clause e of subsection 4 of section 3 of *The Income Tax Act, 1961-62*, as enacted by subsection 2 of section 3 of ^{c. 60, s. 3, subs. 4, cl. e} *The Income Tax Amendment Act, 1961-62*, is amended by ^{(1961-62, c. 61, s. 3, subs. 2),} striking out "section 5" in the third line and inserting in lieu thereof "section 4". ^{amended}

- (2) The said section 3, as amended by section 3 of *The Income Tax Amendment Act, 1961-62*, is further amended by ^(1961-62, c. 60, s. 3, amended) adding thereto the following subsections:

- (5) An individual who, under the Federal Act, pays tax ^{Special table} computed in accordance with subsection 2 of section 32 thereof may, in lieu of the tax under subsection 1, pay a tax computed in accordance with a prescribed table which shall be prepared in accordance with the following rules:
 1. The table shall be divided into ranges of amounts not exceeding \$10 each and specifying the tax payable on every amount taxable within each range.
 2. The tax payable on amounts taxable within one of the ranges referred to in paragraph 1 shall be the amount in dollars and even tenths parts thereof that is nearest to the

aggregate of the taxes otherwise payable under subsection 1 on the average of the highest and lowest amounts in the range.

Foreign
tax credit

- (6) Where an individual resided in Ontario on the last day of a taxation year and had income for the year that included income earned in a country other than Canada in respect of which any income or profits tax was paid to the government of such other country, he may deduct from the tax payable by him under this Act for that taxation year an amount equal to the lesser of,
- (a) the amount, if any, by which the tax paid to the government of such other country in respect of his income for the year exceeds the amount allowed under the Federal Act as a deduction for that taxation year by virtue of section 41 of that Act; or
 - (b) that proportion of the deduction allowed to the taxpayer for that taxation year by virtue of section 33 of the Federal Act that,
 - (i) the taxpayer's income earned in such other country for that year
 is of
 - (ii) his income for the year.

1961-62,
c. 60, s. 19,
subs. 2,
re-enacted

3. Subsection 2 of section 19 of *The Income Tax Act*, 1961-62 is repealed and the following substituted therefor:

Basis for
appeal

- (2) An appeal from an assessment under this Act may be taken in respect of any question relating to the determination of,
- (a) his residence for the purposes of this Act;
 - (b) his income earned in the taxation year in Ontario as defined in clause *b* of subsection 4 of section 3; or
 - (c) the amount of tax payable for a taxation year based on the tax payable under the Federal Act for that year as defined in clause *a* of subsection 4 of section 3,

but no appeal from an assessment lies in respect of the computation of the tax payable under the Federal Act as defined in clause *a* of subsection 4 of section 3.

SECTION 3. Subsection 2 is re-enacted in order to set out specifically the grounds on which a taxpayer may appeal an assessment as well as to provide, as the subsection now does, for the limitation of appeals in certain matters.

SECTION 4. The new section 28*a* provides an alternative procedure for the collection of tax, interest and penalties where the taxpayer has not paid the tax assessed against him under the Act and has not appealed the assessment.

SECTION 5. Subsection 2 is re-enacted in order to broaden the scope of the exception to the prohibition regarding the communication of information. This will permit the communication of information between the Minister of National Revenue and the various provincial Treasurers of the agreeing provinces, as well as allowing him to provide information to the Province of Quebec where an adjusting payment may be made to Quebec under section 49*a*.

SECTION 6. Section 45 is re-enacted in order to put beyond doubt the application of the same procedural and evidentiary rules as are found in section 136 of the *Income Tax Act* (Canada). The subsections of the new section 45 are for the most part identical with subsections of section 136 of the *Income Tax Act* (Canada) except in the following particulars:

1. Subsection 10 (*b*) permits judicial notice to be taken of collection agreements.
2. Subsection 15 ensures that a document purporting to be a collection agreement can be proved without difficulty in an action in a provincial court.
3. Subsection 17 is required by reason of the relationship of the provincial tax to computations made under the *Income Tax Act* (Canada).
4. Subsection 18 is intended to ensure that documents executed by the collecting agent will be admissible in legal proceedings.
5. Subsection 19 allows the Minister of National Revenue acting as agent of the Treasurer of Ontario pursuant to a collection agreement that has been entered into by Ontario with the Minister of National Revenue to use the Royal Canadian Mounted Police as he does under the *Income Tax Act* (Canada) for federal income tax purposes.

4. *The Income Tax Act, 1961-62* is amended by adding thereto the following section: 1961-62,
c. 60,
amended

28a. The Treasurer may issue a warrant, directed to the sheriff of any county or district in which any property of the taxpayer is located or situate, for the amount of the tax, interest and penalty or any of them owing by the taxpayer, together with interest thereon from the date of the issue of the warrant and the costs, expenses and bonding of the sheriff, and such warrant has the same force and effect as a writ of execution issued out of the Supreme Court. 5. Part I of *The Planning Act* is amended by adding thereto the following section:

R.S.O. 1960,
c. 296, s. 26
(1960-61,
c. 76, s. 1,

subs. 1, cl. e,
amended

- 6.—(1) Clause *e* of subsection 1 of section 26 of *The Planning Act*, as re-enacted by subsection 1 of section 1 of *The Planning Amendment Act, 1960-61*, is amended by striking out "the conveyance, mortgage, charge or agreement" in the tenth and eleventh lines and inserting in lieu thereof "conveying, mortgaging, charging or agreeing to sell the land or agreeing to grant directly or by entitlement to renewal for a period of twenty-one years or more the use of or right in land", so that the clause shall read as follows:

(e) the consent,

- (i) of the planning board of the planning area in which the land lies, or

SECTION 5. All the provisions of Part I dealing with official plans are made applicable to counties.

SECTION 6—Subsections 1 and 2. The amendments are to make it clear that the consent is not given to a particular conveyance, mortgage or agreement.

Subsection 3. The amendment provides that a consent given to the sale, etc., of land within an area of subdivision control shall lapse six months after the consent was given unless the land is actually sold, etc., within such period.

SECTION 7. The amendment provides that orders of the Minister with respect to areas of subdivision control shall be registered in the same manner as by-laws that designate areas of subdivision control.

SECTION 8—Subsection 1. Under the present subsection 7, it has been considered that, if any question arises as to a particular condition to be imposed by the Minister, the Minister is required to refer the whole matter to the Municipal Board. The amendment would permit the reference to the Board of a single question in respect of the conditions to be imposed.

7. Subsection 3 of section 27 of *The Planning Act* is amended by adding at the end thereof "and the provisions of subsections 7, 8 and 9 of section 26 apply *mutatis mutandis* to an order made under clause *b* of subsection 1, and the Minister shall cause certified copies of the order to be registered or deposited in accordance with such provisions", so that the subsection shall read as follows:

Notice and
registration
of order

8.—(1) Subsections 7 and 8 of section 28 of *The Planning Act* are repealed and the following substituted therefor:

c. 296, s. 28,
subs. 7, 8,

Reference of
conditions

- (7) Where the owner of the land or the municipality in which the land is situate is not satisfied as to the conditions imposed or to be imposed by the Minister, or any of them, he or it, at any time before the plan of subdivision is finally approved, may require the condition or conditions that are unsatisfactory to be referred to the Municipal Board by written notice to the secretary of the Board and to the Minister, and the Board shall then hear and determine the question as to the condition or conditions so referred to it, and the decision of the Board in respect of such condition or conditions has the same force and effect as if it were the decision of the Minister.

Cash
payment
in lieu of
conveyance

- (8) The Minister may authorize, in lieu of the conveyance for public purposes other than highways required under subsection 5, the payment to the municipality of a sum of money not exceeding the value of 5 per cent of the land included in the subdivision.

R.S.O. 1960,
c. 296, s. 28,
subs. 10,
amended

- (2) Subsection 10 of the said section 28, as amended by subsection 2 of section 5 of *The Planning Amendment Act, 1961-62*, is further amended by inserting after "9" in the third line "less any amount expended by the municipality out of its general funds in respect of such land", so that the subsection shall read as follows:

Special
account

- (10) All moneys received by the municipality under subsections 8 and 9a, and all moneys received on the sale of land under subsection 9, less any amount expended by the municipality out of its general funds in respect of such land, shall be paid into a special account, and the moneys in such special account shall be expended only for the acquisition, with the approval of the Minister, of land to be held and used by the municipality for public purposes, and may be invested in such securities as a trustee may invest in under *The Trustee Act*, and the earnings derived from the investment of such moneys shall be paid into such special account, and the auditor in his annual report shall report on the activities and position of the account.

c. 408

R.S.O. 1960,
c. 296, s. 30,
subs. 1,
par. 3,
amended

9. Paragraph 3 of subsection 1 of section 30 of *The Planning Act* is amended by striking out "a building or structure for residential or commercial purposes" in the first and second lines and inserting in lieu thereof "any class or classes of buildings or structures", so that the paragraph shall read as follows:

At present, subsection 8 providing for payments of cash in lieu of the conveyance of the 5 per cent of the lands for public purposes is related to an official plan. The reference to an official plan is deleted, and the amendment will permit all municipalities, when authorized by the Minister, to accept cash instead of the conveyance of the 5 per cent lands.

Subsection 2. At present, all moneys received on the sale of land that is conveyed to a municipality for public purposes under subsection 5 are required to be paid into a special account which can only be used to purchase other lands to be used for public purposes. The amendment provides that any moneys that have been expended by the municipality out of its general funds in respect of lands so sold shall be returned to the general funds out of the moneys received from the sale of such lands.

SECTION 9. At present restricted-area by-laws may prohibit the erection of buildings or structures for residential or commercial purposes on land that is subject to flooding, etc. The provisions are extended to include any class of building or structure.

SECTION 10—Subsection 1. A building permit may be refused if the structure to be constructed would be contrary to any by-law of the municipality or of any other municipality. As the definition of "municipality" in the Act does not include a county or a metropolitan municipality, it is necessary to include them specifically.

Subsection 2. The amendment authorizes local municipalities to pass by-laws for the control of termites.

3. For prohibiting the erection of any class or classes of buildings or structures on land that is subject to flooding or on land where, by reason of its rocky, low-lying, marshy or unstable character, the cost of construction of satisfactory waterworks, sewage or drainage facilities is prohibitive. Marshy
lands

10.—(1) Paragraph 1 of subsection 1 of section 31 of *The Planning Act*, as amended by subsection 1 of section 7 of *The Planning Amendment Act, 1961-62*, is further amended by inserting after “municipality” where it occurs the first time in the amendment of 1961-62 “including a county and a metropolitan municipality”, so that the paragraph shall read as follows: R.S.O. 1960,
c. 296, s. 31,
subs. 1,
par. 1,
amended

1. For regulating the size and strength of frame, wooden, brick, stone, cement and concrete walls, and of the foundations and foundation walls, beams, joists, rafters, roofs and their supports of all buildings to be erected, altered or repaired, and for requiring the production of the plans of all buildings, and for charging fees for the inspection and approval of such plans, and fixing the amount of the fees and for the issuing of a permit certifying to such approval without which permit no building or structure may be erected, altered or repaired, and for authorizing the refusal of a permit for any building or structure that if constructed would be contrary to the provisions of any by-law of the municipality or of a by-law of any other municipality, including a county and a metropolitan municipality, or the laws of Ontario or Canada in force in the municipality. Size and

Notice and
registration
of order

- (3) The Minister may give notice of any such order in such manner as he deems expedient, and the provisions of subsections 7, 8 and 9 of section 26 apply *mutatis mutandis* to an order made under clause *b* of subsection 1, and the Minister shall cause certified copies of the order to be registered or deposited in accordance with such provisions.

R.S.O. 1960,
c. 296, s. 28,
subs. 7, 8,
re-enacted

- 8.—(1) Subsections 7 and 8 of section 28 of *The Planning Act* are repealed and the following substituted therefor:

Reference of
conditions

- (7) Where the owner of the land or the municipality in which the land is situate is not satisfied as to the conditions imposed or to be imposed by the Minister,

SECTION 5. All the provisions of Part I dealing with official plans are made applicable to counties.

SECTION 6. The amendment provides that a consent given to the sale, etc., of land within an area of subdivision control shall lapse six months after the consent was given unless the land is actually sold, etc., within such period.

SECTION 7. The amendment provides that orders of the Minister with respect to areas of subdivision control shall be registered in the same manner as by-laws that designate areas of subdivision control.

SECTION 8—Subsection 1. Under the present subsection 7, it has been considered that, if any question arises as to a particular condition to be imposed by the Minister, the Minister is required to refer the whole matter to the Municipal Board. The amendment would permit the reference to the Board of a single question in respect of the conditions to be imposed.

At present, subsection 8 providing for payments of cash in lieu of the conveyance of the 5 per cent of the lands for public purposes is related to an official plan. The reference to an official plan is deleted, and the amendment will permit all municipalities, when authorized by the Minister, to accept cash instead of the conveyance of the 5 per cent lands.

Subsection 2. At present, all moneys received on the sale of land that is conveyed to a municipality for public purposes under subsection 5 are required to be paid into a special account which can only be used to purchase other lands to be used for public purposes. The amendment provides that any moneys that have been expended by the municipality out of its general funds in respect of lands so sold shall be returned to the general funds out of the moneys received from the sale of such lands.

SECTION 9. At present restricted-area by-laws may prohibit the erection of buildings or structures for residential or commercial purposes on land that is subject to flooding, etc. The provisions are extended to include any class of building or structure.

or any of them, he or it, at any time before the plan of subdivision is finally approved, may require the condition or conditions that are unsatisfactory to be referred to the Municipal Board by written notice to the secretary of the Board and to the Minister, and the Board shall then hear and determine the question as to the condition or conditions so referred to it, and the decision of the Board in respect of such condition or conditions has the same force and effect as if it were the decision of the Minister.

- (8) The Minister may authorize, in lieu of the conveyance for public purposes other than highways required under subsection 5, the payment to the municipality of a sum of money not exceeding the value of 5 per cent of the land included in the subdivision. Cash payment in lieu of conveyance

(2) Subsection 10 of the said section 28, as amended by subsection 2 of section 5 of *The Planning Amendment Act, 1961-62*, is further amended by inserting after "9" in the third line "less any amount expended by the municipality out of its general funds in respect of such land", so that the subsection shall read as follows: R.S.O. 1960, c. 296, s. 28, subs. 10, amended

- (10) All moneys received by the municipality under subsections 8 and 9a, and all moneys received on the sale of land under subsection 9, less any amount expended by the municipality out of its general funds in respect of such land, shall be paid into a special account, and the moneys in such special account shall be expended only for the acquisition, with the approval of the Minister, of land to be held and used by the municipality for public purposes, and may be invested in such securities as a trustee may invest in under *The Trustee Act*, and the earnings derived from the investment of such moneys shall be paid into such special account, and the auditor in his annual report shall report on the activities and position of the account. R.S.O. 1960, c. 408

9. Paragraph 3 of subsection 1 of section 30 of *The Planning Act* is amended by striking out "a building or structure for residential or commercial purposes" in the first and second lines and inserting in lieu thereof "any class or classes of buildings or structures", so that the paragraph shall read as follows: R.S.O. 1960, c. 296, s. 30, subs. 1, par. 3, amended

3. For prohibiting the erection of any class or classes of buildings or structures on land that is subject to flooding or on land where, by reason of its rocky, Marshy lands

low-lying, marshy or unstable character, the cost of construction of satisfactory waterworks, sewage or drainage facilities is prohibitive.

R.S.O. 1960,
c. 296, s. 31,
subs. 1,
par. 1,
amended

10.—(1) Paragraph 1 of subsection 1 of section 31 of *The Planning Act*, as amended by subsection 1 of section 7 of *The Planning Amendment Act, 1961-62*, is further amended by inserting after “municipality” where it occurs the first time in the amendment of 1961-62 “including a county and a metropolitan municipality”, so that the paragraph shall read as follows:

Size and
strength of
walls, etc.,
and pro-
duction of
plans

1. For regulating the size and strength of frame, wooden, brick, stone, cement and concrete walls, and of the foundations and foundation walls, beams, joists, rafters, roofs and their supports of all buildings to be erected, altered or repaired, and for requiring the production of the plans of all buildings, and for charging fees for the inspection and approval of such plans, and fixing the amount of the fees and for the issuing of a permit certifying to such approval without which permit no building or structure may be erected, altered or repaired, and for authorizing the refusal of a permit for any building or structure that if constructed would be contrary to the provisions of any by-law of the municipality or of a by-law of any other municipality, including a county and a metropolitan municipality, or the laws of Ontario or Canada in force in the municipality.

R.S.O. 1960,
c. 296, s. 31,
subs. 1,
amended

(2) Subsection 1 of the said section 31 is amended by adding thereto the following paragraphs:

Control of
termites

21a. For requiring,

- (a) any building or structure or any class or classes thereof heretofore or hereafter erected or any additions thereto to be rendered resistant to infestation by termites and other wood-destroying insects;

- (c) the removal and destruction of all wooden poles, trees, stumps or other wooden or cellulose material that is not part of a building if

SECTION 10—Subsection 1. A building permit may be refused if the structure to be constructed would be contrary to any by-law of the municipality or of any other municipality. As the definition of "municipality" in the Act does not include a county or a metropolitan municipality, it is necessary to include them specifically.

Subsection 2. The amendment authorizes local municipalities to pass by-laws for the control of termites.

they are certified by the building inspector or commissioner to be infested by termites or other wood-destroying insects.

21b. For providing for the payment by the municipality, ^{Cost of control of termites and repairs} not to exceed in any case \$250, of not more than one-half of the cost,

1. of repairing any damage done to any building or structure or any class or classes thereof by termites or other wood-destroying insects; and
2. of rendering resistant to infestation by termites or other wood-destroying insects any building or structure or any class or classes thereof that were erected before a by-law is passed under this paragraph,

and for providing for the making of loans to the owners of such buildings or structures to pay for the whole or any part of the cost of such repairs or of the rendering resistant to such infestation, less any amount paid by the municipality, on such terms and conditions as the council may prescribe.

- (a) The amount of any loan made under a by-law passed under this paragraph, together with interest at a rate not exceeding 5 per cent per annum, may be added by the clerk of the municipality to the collector's roll and collected in like manner as municipal taxes over a period fixed by the council, not exceeding five years, and such amount and interest shall, until payment thereof, be a lien or charge upon the land in respect of which the loan has been made.

thereupon the lands are freed from all liability with reference thereto.
